

Question #1. What Needs/Wants/Wishes do you or your group have that might require changes or improvements to the FACILITIES and GROUNDS?

NEEDS

- **Much larger space** for meetings.
- **More large rooms** to meet.
- **Accessible spaces** to meet.
- **Centralized repository of information** (ie. a "Church Management Database System"). Requires time and people to research, determine which is best for our needs, and implement. (Not a large expense.) Use for invitations, attendance, ...

WANTS

- **Larger outdoor gathering space.** Family friendly. Landscaped.
- **"Update the space"** - decor, carpeting, banner. A "refresh" to project that we are a vibrant congregation

WISHES

- **Tent** set up on the patio outside for CUUC events. And to attract weddings.
- **A Community Center** (modeled after the JCC) with regular open hours. This would require a security staff member at the front door. Programming for the center published in a distributed catalog.
- **School Break** and **Summer Enrichment Program** for kids.

Question #2. What Needs/Wants/Wishes do you or your group have that would require ADDITIONAL HUMAN OR FINANCIAL RESOURCES?

NEEDS

WANTS

- A **short-term Tech Consultant** to implement a new data management system. This person should also be able to work when needed for updates, etc.
- A **Consultant Architect** to assess and determine use of RE wing space for much larger meeting rooms.

WISHES

- A **Security staff member** for the CUUC Community Center.
- A **Program Manager** to organize and schedule regular and one-off events at a community center.

Question #3. What Needs/Wants/Wishes do you or your group have that would require CUUC to EMPHASIZE or DO SOME THINGS DIFFERENTLY?

NEEDS

- **Change how we advertise CUUC programming** to reach more readers.

WANTS

- **Institutionalize congregation document review:** Vision, Mission, and Covenant.
- Create a **Survey Budget** to not overtax congregants with questionnaires. If groups want to distribute a survey, they need to apply to use a portion of the Survey Budget.

WISHES

- An **n-year information gathering budget**. This would allow for us to schedule and roll out maintenance updates to key documents and/or ad hoc projects that require congregational opinion.
- A **policy around “ambient information gathering”** ... what percentage of responses constitutes congregational opinion?

Question #4. Do you have any specific ideas for GOALS or STRATEGIES which would meet any of the Needs/Wants/Wishes you have identified above?

GOALS

- **Enlarge existing meeting spaces.**
- Create **accessibility for meeting spaces.**
- **Uplift and build our community**, as well as share our message in outreach.
- **Engage more readers** when learning about CUUC events.
- **Regular and distributed information gathering** to see the status of people relative to various documents, goals, etc.

STRATEGIES

- **Change Angled Stairway** to Room #41 to make it more accessible.
- **Break walls** to enlarge.
- **Move Montessori School** for increased accessibility in meeting spaces.
- **New CUUC T-Shirts*** (* A new MERCH STORE is in development.)
- **“Jump To Event”** (in the style of ‘Jump To Recipe’) **Buttons on newsletter** to make it more interactive, and to allow readers to get to only what they are looking for without scrolling.
- Add a **puzzle piece** (or other interactive prize-like item) to a random part of the newsletter which is needed at an activity at Sunday service.
- For larger and more accessible spaces: **Move Montessori from yellow pod.** Use yellow pod rooms. Use Green pod rooms.
- **Commit to n-year updates** per document.
- **Build an app for interstitial** (on an individual’s schedule; on line at groceries, etc.) **polling.** Possibly activated by a scan code.
- **Expanded Coffee Station**
- **Laundry service** for tablecloths

Question #5. In a "reach for the sky" vision for the next 5-10 (or even 20-40) years, what would you hope for CUUC?

a) TO BE DOING?

- **Summer School Enrichment Program**
- **Local outreach to UU college students on nearby college campuses**
- **½ of resources** be delivering robustly on our decided commitments **(operations)**;
 - **¼ of resources** be experimenting in forming new ongoing commitments **(discernment)**;
 - **¼ of resources** be responding to tactical situations **(mobilization)**

b) TO BE ABLE TO DO?

- Have a **Robust Youth Group**
- Have the means to act as a **shelter for the homeless**.
- Have the means to act as a **sanctuary shelter for refugee families**.
- **Purchase another property for refugee housing** to address how we are not accessible to many in White Plains
- **Respond to dynamic situations in visible numbers**
- **Have a set of commitments that we are faithfully delivering on**
- **Help people participate smoothly**

c) WHO WILL WE BE?

- An **Expanded version of who we are**
- It should be well-known where **we are going to show up when there's a situation**. (Much like with Al Sharpton, the ADL and NAACP, "Well you know CUUC will have something to say about this!")
- It should be **well known by locals as the place to go for ...**
 - The power of authentic and human-centered community
 - Living authentically with open minds and hearts
 - Free from ideals or creeds beyond a belief in each person's value and dignity
 - Prizing compassion and debate
 - Authentic, challenging, compassionate and human-centered activities
 - Being welcomed and treated with dignity
 - Supporting democratic institutions
